FIGHT AGAINST COVID

One of the darkest periods in the entire history of humankind is the COVID-19 Pandemic. This pandemic pulled the human civilization many years back. This pandemic affected almost every aspect of human life. Kalpajyoti fought against this virulent pandemic and is still continuing to fight against it.

MISSION-COVIHELP

A lot of people from different countries of the world have died due to the Coronavirus. But the twist in the story is that, studies reveal that greater number of people have died due to hunger than the virus itself and Mission-Covihelp is an initiative taken to fight against the hunger which was caused by the pandemic.

The restrictions imposed due to the pandemic resulted in loss of jobs of many people which made them economically weaker. The worst victim of this pandemic are the daily wage earners who often sleep with an empty stomach.

Under the banner of Mission-Covihelp, we are distributing fresh food plates among the people living on the streets, who depend on alms for their survival. Ration kits are regularly being distributed among the families of daily workers for the ease of their survival.

Till now, Kalpajyoti has successfully initiated this mission in the cities of Dhubri, Kota, Lucknow, Kolkata, Chandannagar, Nagaon, Gauripur, Silchar, Mahishadal, Coochbehar, Kokrajhar, Anantapur, etc.

FIGHT AGAINST COVID

AWARENESS CAMPAIGN

“

One of the main reasons of the rapid spread of this virus is lack of awareness among the people about the safety measures which are to be taken. The usage of mask in wrong ways have been one of the burning problems during this pandemic. The most alarming thing which we have observed is the lack of awareness among the masses regarding the urgency and importance of taking vaccines. The backward section had different myths on vaccination. Regular initiatives were taken to spread proper awareness and boost the fight of humankind against this virus.

”

COVID-19 VACCINATION REGISTRATION OUTREACH CAMP

“

The First ever Statue of Swami Vivekananda at Gauripur

Swami Vivekananda is considered as a youth icon across the World and because Kalpajyoti is a Youth Organization, it takes a lot of inspiration from Swami Vivekananda.

It was a wish of the Founder of Kalpajyoti- Mr. Sayan Saha to install a permanent statue of Swami Vivekananda in the beautiful town of Gauripur which is both historically and culturally significant. The main aim behind this idea was to inspire the youth and make them learn about the life changing values of Swami Vivekananda. The Kalpajyotians of Dhubri and Gauripur worked hard for day and night to transform this dream into a reality. The eminent artist of Gauripur, Shri Babul Paul was entrusted with the responsibility to design the clay model of the statue.

It took about two months to complete the construction work.
